

## Environmental Policy

### Meeting Our Environmental Commitment

#### **SML ENVIRONMENTAL POLICY**

Strategic Mobilization Limited is committed to reducing its impact on the environment. We will strive to improve our environmental performance over time and to initiate additional projects, activities and innovations that will reduce our impacts on the environment.

The company's Environmental Management System has been developed in accordance with the ISO14001:2015. As such, our commitment to the environment extends to our customers, staff, and the community in which we operate. We are committed to the protection of the environment including prevention of pollution through responsible management and demonstrating leadership by integrating environmental consideration into all our business practices and operations.

We are also committed to the following:

- Comply with all applicable environmental regulations.
- Continually improve over time by striving to measure our environmental impacts and by setting goals to reduce these impacts yearly.
- Train all staff on our environmental programs and empower them to contribute and participate.
- Communicate our environmental commitment and efforts to our customers, staff and our community.
