

Quality Policy

Meeting Our Commitment

SML QUALITY POLICY

Strategic Mobilization Ghana Limited (SML) is steered by a governing board and has two main divisions specializing in the Audit of Downstream Petroleum Products and Transactions Price audit and assurance services at its Tema and Osu offices respectively.

SML acknowledges quality as an indispensable drive to continuous success. Hence, we remain committed to exceeding applicable statutory and regulatory requirements as well as all clients' expectations. SML also aims to continually improve the effective discharge of all processes and procedures to enhance the quality management system.

We recognize both current and future delivery of our services is hinged on our reliance on technology and are therefore resolved to staying at the forefront of the technology adoption curve.
